

Quality Control Assistant

Ely, Cambridgeshire – Permanent, Full-Time

Isle of Ely Produce Ltd are one of the UK's major potato suppliers with a trading office based in Silsoe, Bedfordshire, a potato farming enterprise in Ely, Cambridgeshire and a packing facility in Duxford, Cambridgeshire. We have over 40 years experience of growing, trading and marketing fresh produce. Currently looking for a Quality Control Assistant to join our busy team in Ely but to cover their sites near Ely and Duxford.

As a QA/QC you will be ensuring our products are meeting the customer specifications and the correct Quality Management Systems (QMS) are being adhered to.

Ensure products are stored correctly, meet customer specification and documentation is accurate, with a true reflection of product quality at all stages of the process.

You will be expected to record, inspect and test the raw product on arrival and ensure that all finished products leave both sites with the overall packaging and presentation standards met.

Position Overview:

- Monitor stock rotation
- Record intake inspection results
- Perform internal analysis on produce and recording results
- Monitoring stock storage conditions
- Collecting samples when required
- Reporting and communicating results to relevant staff

Position Requirements:

- Good data entry skills and attention to detail
- Computer Literate
- Self motivated with the ability to communicate effectively
- Ideally you will have experience in a QC function within fresh produce
- Full driving licence required as travel between sites is a requirement

As this is a rural area, a full driving licence will be a requirement.
